

We understand how hard you work to earn the trust and respect of your clients.

Plat Realty has a full-time staff of Property Management and Leasing professionals, currently managing 150 rental properties in Frisco, TX and surrounding area.

We handle our referrals with special care to ensure your clients are treated with the same courtesy, competence and professionalism that they would expect out of you.

Every client that is referred to Plat Realty is tagged with their referring agent's name and contact information in our Property Management Software, and the property file. And more importantly, if the client decides to sell their home or purchase another investment property in the future, the referring agent is contacted immediately and given the opportunity to represent them.

Once the referred client signs our Property Management Agreement and

Here's how our Agent Referral Program works.....

You sell your client a home

You refer your client to Plat Realty for professional Property Management Services

We provide exceptional Property Management for your client

You will receive **\$250** referral fee (for each property if the client owns multiple properties). Plus, the confidence that your client and their property investment are well taken care of, and will be returned to you when they need any future Real Estate services.

Contact us today to find out how we can become a trusted partner for your clients Property Management needs.
