

Utility Information for Tenants

One of the most important issues to tackle when moving to the Dallas-Fort Worth Metroplex, after finding a place to live, is utility service. Utility companies in North Texas vary according to area, but most follow similar procedures for new accounts, and several companies offer service to the entire Metroplex.

Below is information, listed by city, to help guide you to the property Utility provider for your new residence:

City Name	Water,Sewer, Trash Service	Electricity Service	Gas Service
